

## Summer Social Group at Ozaukee Family Services

Sick of staring at computer screens? We are too.

**Ozaukee Family Services is developing a Summer Social Group aimed at getting kids out of the house, staying active, and having fun.**

- **Where:** 885 Badger Circle in Grafton
- **Dates:** Wednesdays (7/15 - 8/5)
- **Time:** 1-2:30 PM
- **Cost:** Free
- **What:** Getting together while social distancing with kids ages 10-13 years old. Playing yard games and other fun activities outside with peers.
- **Goals:** Our number one goal is to get kids outside, active, and having positive social interactions. We also want to help kids practice self-care options during these challenging times.

\*Safety is our priority, and we will stick to CDC guidelines.

We know you have questions. Please contact us via email and we'll be happy to provide more information as it becomes available.
